EDITORIAL

I think it's best if I give you dear reader, a stern warning on the content of this issue, which is likely to cause high blood retention in some lower areas of the body and could lead to dramatic over stimulus. But hey, that's what we're here for right? And exactly what these naughty minxes were hoping for, so let yourself be thrilled and spill over the likes of Beth Bennett, Stacey Saran, Miela and Gigi. Of course, there's no need to mention our cover girl Jasmine James as we already know your fighting back the temptation to dive straight into her glossy pages. Over and out till next month.

Dear Club,

My girlfriend Tina and I enjoy making erotic home movies. When we started doing this a couple of years ago, we would film ourselves bonking and watch it afterwards, reliving the fun as we masturbated to the flick.

These days we have our own website, and upload some of our film clips to share with others. We love to get feedback, and often do requests from some of our Internet buddies.

With the advent of DV cameras, we have, of course, broadened our horizons and started filming more elaborate scenes – some of them involving other people. Tina is proud of her body, although, this said, there was a time before she met me when she was rather uncomfortable about her size.

She is a big girl all right – just under six feet tall in fact – but extremely nicely proportioned. The only small thing about her is her waist; her breasts fill a DD cup, and her hips are beautifully rounded and very sexy.

The last time we filmed, we tried something new. We took a room at one of those upmarket country house hotels. Having got the lighting just right, Tina lounged on a sofa naked. With her eyes closed, she leaned back against the rich velvet upholstery, her hands creeping in a teasing fashion up her body until she was cupping her tits. Sighing, she squeezed her voluptuous breasts and ran her brightly lacquered nails across her nipples. I fucking love it when she does that!

Panting just ever so gently, she parted her lips and licked them invitingly, before rolling

her mammoth tits slowly and sensuously. Her breast flesh is flawless and it glistened under the umbrella light as she fingered her teats until she had them hard and erect. The soft pink of her nipples and areolas appeared even more sexy against the rich tan of her body – the legacy of our annual summer hols!

She inspected her breasts, looking down at each tit as she slowly caressed it – as though making sure that the luscious swell of flesh was without blemish. She smiled, satisfied with her inspection, then reached up and let her hair fall loose across her shoulders. Her lush tits seemed even more desirable as her long hair waved down over her shoulder and across one of her breasts. Tina moistened her lips slowly and stroked her breasts with greater passion.

She spoke to the camera now, talking about what she was doing, describing the feelings she gets when she fondles her tits for an online audience – and visibly shivering as she related stories about rough, demanding hands groping them. She wasn't putting it on, either; the stories were true, and she gasped a little as she recounted the details of one particular occasion when she had been felt up by the sensitive, skilled fingers of a total stranger. (The only exaggeration was that he wasn't really unknown to her; he was my good mate Barry, from work!)

Slowly she moved her hands down over her waist and swung her legs up onto the

seat, stretching them out to show their soft, shapely loveliness. She caressed her hips, then brought her hands over to her thighs. Teasingly, she moved them further up until her fingers touched the rich black hair above her pussy.

"Ooh, yes...!" she sighed.

She formed the words slowly, smiling sensuously, then began stroking her thigh. Her thighs spread slightly and one hand glided in and over her cunt. Tina's body trembled fit to shake the cam tripod as her fingers played across her glistening labia. She teased her succulent lips apart, then slowly slipped the tip of a finger inside while pressing her thumb down on her clit.

Her hips gyrated a little in response to the clitty play, and she rubbed her passion button, telling the lens all the while what she was feeling – how she could: "feel desire running all through my body." Then she began to press her finger deeper... smiling at the camera as she pulled her finger out for a moment, kissing the tip, and tasting herself before returning it to her cunt.

This time she pumped rapidly, giving herself the sudden stimulation of a well practiced finger-fuck. Her eyes sparkled in enjoyment, her tongue-tip playing across her sensuous red lips. She arched her back and thrust her tits proudly forward, their firmness and fullness giving them a breath-taking appearance. Burying her fingers even deeper

into her pussy, she became so aroused that her bum started bouncing up and down. The tease was over. She was fucking herself and absolutely loving it.

Abruptly, she stiffened, letting out a loud expletive as her head lolled from side to side, her body shivering and her thighs trembling so hard that you could see the occasional quite violent twitch. She kept pumping her fingers inside her vagina and pressing her knuckles frantically against her clit. Her legs splayed even wider and the camera picked up the sticky trail of her natural libations as they oozed out of her glistening slot. Again she stiffened and swore and her pussy contracted tightly before the strong muscles of her vulva pushed outward, expelling yet more fluid, which began to trickle along her thighs.

Swinging her legs off the couch, Tina turned her back to the camera, spread her thighs wide and bent over, looking through her legs at the lens as she furiously friggd her cunt. The tension in the muscles of her legs displayed their strength and her huge tits hung magnificently. Those were a picture on their own! I should say she positively glowed from the impassioned stimulation that she was giving herself.

Tina panted and gasped as tremors of passion seemed to threaten to tear her apart. Her eyes looked dazed – glassy, really – as she gave herself up, wailing like a fucker, to the surging thrill of her orgasm.

How are you finding Vegas?

"Bright lights, shows and the occasional flutter, are making me very happy at the moment. So much so, that I that I'm not even missing the occasional sight of a kangaroo or the rugby."

So you're a fan then?

"What of, kangaroos or rugby?" she replies with a cheeky smile.

Gigi knows the score and has us pinned well away from the try line. ♣

DAISY 

Dear Club,
It could be said, that most men's dreams were fulfilled the day Daisy featured in Club Vol. 28 No.10, or at least mine certainly were. I was a bike nut back then and still am now, so you can imagine the full on lust that occurred when I saw blond bombshell Daisy dressed to impress in Motorcross armour and a throbbing engine between her thighs. I've never been able to shake the image of her peachy arse cheeks, and pussy pushed forward while perched on the top of that bike. Please feature the gorgeous Miss Daisy. From your ever faithful reader.

With her outgoing sense of fun and a body we'd pursue all the way around the earth, we're ecstatic to feature Beth in Club this month, and water sure you will be.

Fitbit Surge

www.techradar.com

It's back, and it's powerful. In fact it's a monster and all thanks to you, Joe public. Fitbit Surge's tech spec is far reaching, with this fitness tracker boasting GPS, heart-rate monitor, a larger LCD display, eight sensors, satellite tracking (you can leave you phone at home), and lists a variety of exercise modes. It even has some smartwatch features, such as music storage and playback, SMS alerts and caller I.D, so you can judge whether you need to respond right away or not, which unless it's your mother the answer is probably not. Surge's stamina was a little undermined by the battery life that only managed four days instead of the listed seven, but it's still better than it's market competitors.

iPhone SE

www.apple.com

The iPhone SE, same case, same look as the older 5s model but don't let that put you off. Let's get down to the nitty-gritty, Apple have tapped into the small yet powerful formula, and the SE certainly is that. With a camera now offering 12MP and 4K video recording, which is clearer and faster. There's also a new A9 chip, M9 co-processor and 2GB of RAM, under the bonnet, the same as the 6 and 6s models. Even the battery lasts longer, which always gets a thumbs up from me. Downsides are the screen, which is the same as it was back in 2012 so watching HD is out of the question, but gaming capabilities have improved with the speed on offer. All in all, a tiger in a kitten suit.

Earin headphones

www.earin.com

Here's a start-up company that fired up the market with there Earin headphones, which although not new to the market we thought we'd review as there rather impressive. One of the first things that strikes you about Earin wireless headphones is the attention to detail, even in the packaging, a cylindrical aluminium charging capsule with the buds nestled neatly within. There also incredibly easy to set up, just remove the buds from their capsule bed, thus waking them up, attach the tips, open the Bluetooth on your phone, selecting Earin L and hey presto away you go as the left ear bud automatically syncs the right. The overall audio quality is pretty good, though sometimes the right ear drops out, but the connection is automatically and quickly re-established. Despite the connection issues a sleek and well thought out bit of kit.

KATERINA

Now, Katherina may look like a nice girl but underneath she has a naughty personality that's always raring to go, as we found out, nearly to our peril.

This lively lass enjoys a spot of swimming and is no stranger to skinny dipping on an evening, especially if there's a crowd.

"All those bodies weaving around in the water together tends to make an intimate environment, where boundaries can be pushed."

We're all for intimate environments, but when Katerina ambushed us into a quick dip, we didn't have the excuse of forgotten trunks. Oh well, all in a day's work... ♣

SCRUFF JUSTICE!

Please be upstanding

Zara's Girlfriends Your Choice

Starring: Zara Du Rose, Tina Kay, Holly Kiss and Jessika Lexi

Synopsis: "Britain's favourite fetish-fashion glamour-puss is back! This time

around, her adventures are less kink-orientated, and focus more on her love for lesbian sex and personal gratification through masturbation.

Boasting a star-studded cast of British and European models, lots of titillating toy play, and plenty posh lingere (stocking lovers rejoice), Zara's Girlfriends, is certain to fulfil the desires of anyone who prefers all-girl porn!

Includes three luscious lesbian sex scenes and two solo showcases featuring Zara with her personal collection of high-powered, elegant sex toys!

Also features two exciting bonus scenes. Don't miss Holly and Jessika's in-depth interviews with Zara while sitting on a Hitachi Magic Wand!"

Courtesy of Your Choice

Verdict: Well, talk about flash gash! There's plenty on offer here in Zara's Girlfriends, where the underwear is as sophisticated as the ladies wearing it. Zara wastes no

time in getting down with Tina Kay in a passionate romp, where stockings and suspenders are left on, hitting the spot of any nylon fetishist out there. But just round the corner, there's trouble brewing in the double ginger coupling of Zara and Jessika Lexi, who barely makes it through the door before Zara's massaging between her legs. The atmosphere created is electric, with the girl on girl action displaying everything we dream about on a nightly basis.

Teenage Threesome Private Special

Starring: Sofi Goldfinger, Loveini Lux, Stefany, Alina, Emily Thorne, Genevieve Venom, Aon Flux and Katty West

Synopsis: "They are Young but experienced enough. And just one guy is not enough for them. They want to move onwards to a threesome, with two guys, with one guy and one girl, whatever, but they need more than one. One of them may think, hum, this is such a juicy cunt I'm eating while I have a big cock in my ass... An another one would maybe like to have her whole face covered in sperm after eating one cock after the other. Teenage threesomes is what you will get in this movie and, as usual, with the best of the stars from Easter Europe: Alina, Aon Flux, Genevieve,

Katty West, Loveini Lux, Stefany and the sluttiest of them all, Sofi Goldfinger." Courtesy of Private

Verdict: They're all at it these days. Even the young'uns are beginning to think in three's and fours, which is where Teenage threesomes hits the nail on the head and provides us with 2hrs of dick stiffening material that will have you glued to your screen.

Sam Frost directs five steamy scenes that use both threesome formulas, but we kick off with the two hot girls and one muscly guy formula. As selfies steam up the camera lens, and a fond kiss turns

into nipple sucking and anal fucking, with Loveini Lux and Sofi Goldfinger taking it in turns to munch meat, before a facial cum-splash ending. It's not all friends hooking up though, there's a fine art twist in the second scene that would make anybody put down their paintbrush and get stuck in. We wouldn't think twice.

JASMINE 

The Pink Lady is back, and she's gone shocking! Her hair that is...though we're sure Jasmine James could rock our very core if she really wanted to. For now though, I think we will stick to admiring her ball-busting bosom in all its glory as this month's cover girl adds more than a splash of colour to proceedings.

"Stop ribbing my hair; I love it!"

We're only joking; it suits you.

"Ahh, thanks. I'm looking at candy floss pink next."

If you do that, our readers won't know what they want to nibble on first.

"They can nibble anything they like. There, problem solved."

You've created a problem in our trousers now..♣

Talkin' Blue: The

SPIT AND POLISH

For my birthday my boyfriend promised me some really swanky shoes. We met up at the shoe shop after our work, and, having picked out a style I fancied, the assistant went off to find a pair in my size. As she walked towards the store room I noticed Paul watching her arse appreciatively. My boyfriend is a sucker for a curvy bottom, and I smiled as his eyes followed her every single step of the way.

Amused at his predictable behaviour, I reached out my hand and pulled him down onto the seat beside me. As we sat together waiting for the girl to return, Paul playfully slid his hand in under my coat and squeezed my arse. I managed to wriggle out of his grasp just as the assistant returned with the shoes, but noticed her exchange a cheeky grin with Paul as she knelt to help me fit them on.

As the girl held out one of the shoes for me to slip my foot into, her hands seemed to caress my foot as she guided it into the soft leather. Reacting to her touch, my legs instinctively parted and my short, tight skirt rode a couple of inches up my thighs. Her breath became audibly faster as she helped me on with the other shoe. This time there was no mistaking her intention as her hands lingered, caressing my ankle while she tweaked and straightened a minute fold in my 20 denier black stockings. Tentatively, I reached a hand towards her, and, laying it on hers I squeezed it gently to subtly convey that I returned the feeling of attraction.

Paul, who had watched the whole silent

scene unfold, was beside himself with excitement. The assistant's name was Ginny, and once the shoes were paid for, I scribbled my phone number down and asked her to give me a call.

Later, while we lay in bed together, he asked me to tell him what I fancied doing with Ginny. As I mulled this over in my mind, I got an exciting idea and asked him if he would like to watch us together.

This idea seemed to drive him wild, and he flipped me over onto my back and spread my legs wide. Spearheading my wet gash with his rigid prick he ploughed into me. My juices flowed as my pussy muscles constricted around his pulsing shaft, and I hooked my legs behind him, crossing my ankles just above the crack of his arse. This gave me all the leverage I needed, and as he plunged his rod back inside me, my cunt muscles moulded around his invading cock like a glove.

Time and again he impaled my aching slot on his stiff cock, his balls slapping against my cleft. Imploring him to keep banging away at my fanny, I screwed myself urgently back against him so that my clit rubbed deliciously against his pistoning shaft. We talked about it as we fucked, and the very thought of tasting Ginny's pussy made me quiver with lust.

Bracing himself with both hands, Paul pulled completely out of my sucking love-hole, only to plough back down in again with added force. Thrusting with all his strength, he told me that I was going to do the hot shoe shop bitch in front of him. I was incredibly turned on by the idea of sucking Ginny's slot, and I bucked my pussy wildly to meet Paul's almost savage full-force ramming.

Loud moans of pleasure escaped my lips at each deep penetration, and my pussy was raw from the continual battering it was receiving from Paul's thick shaft. Then, with one final jerk, he spunked his warm, thick cream inside my convulsing cunt.

Over the next week, I made it my business to go past the shop where Ginny worked, sometimes only stopping to wave to her through the window. Other days I would hang around until the shop was empty enough to allow her to come outside for a cigarette break. On these occasions she was very touchy-feely, standing extremely close and even sometimes allowing her fingers to brush across my tits or to rest on my arse. I, too,

had difficulty keeping my hands off of her, and before the end of the week, we had taken to going off during her lunchtime for a snog and some petting in the loos of a nearby department store.

By Friday evening I was almost beside myself with desperation to get her into bed. Paul was just as anxious as I was, so much so that he even offered to accompany me to the shop on Saturday morning to see if Ginny could be persuaded to come home with us after work.

As it turned out, it was unnecessary as Ginny phoned first thing when she got to work next morning, and arranged to come over that very night. Outside her work environment, Ginny was a different person. In fact, once inside our house she became a bit of a sexual animal. Banishing Paul to one corner of the bedroom to watch, she quickly stripped off, while I did the same.

She began by fondling my breasts as we lay entwined on the bed covers, Ginny on top, our hot flesh rubbing against each other. She rubbed and ground her body against mine, pressing her knee between my thighs and rubbing it up and down against my exposed cunt lips. I was trembling with lust as I turned her onto her back, and, caressing her silky thighs, I slid my finger into her pussy crevice and gently pulled her labia apart.

Momentarily distracted by the sound of Paul moaning from across the room, I glanced over to see him sliding his fist up and down his shaft. Then, pulling Ginny's pussy flaps apart, I opened them like a flower, displaying the gleaming pink flesh inside. It looked luscious and tempting and I slid my tongue up and down, savouring her inner sweetness. Pressing my tongue inside her cunt hole, I wriggled it into her spasming little opening and twisted it deep inside, scooping up the warm juices that Ginny was exuding in such pleasingly liberal amounts.

She responded with passion, running her fingers through my hair, moaning loudly and humping her

“ I felt a hot stab of lust as she continued to pump my tunnel while pleasuring my clit.”

mound against my face. Withdrawing my tongue from her slot, I slid it across her clit and smiled inwardly as Ginny gasped in shocked pleasure as I stimulated her love-button.

Her heaving body began to buck hard and fast as I tongued her closer to orgasm, and she panted for breath, her hands jerking as she tried to manipulate my nipples. Then, abruptly, she let go a squeal of release, her back arching and her bottom bouncing off the bed sheets as her cunt blasted out a steaming froth of her vaginal essences.

As I drew back, I felt Ginny begin to relax. Having recovered from her climax, she pierced my pussy with two fingers, pumping savagely at my box until I too was bordering on orgasm. I shuddered and trembled as my pussy gripped at

“ Ginny and I clambered into the 69 position and began to tongue and finger-fuck one another’s pussies...”

her deftly manipulating digits and an exquisite explosion of pure sexual pleasure rocked me to my core.

I stroked her spent body, moving my hands across it softly and lovingly, my body alight with the sheer eroticism of the act we had just engaged in. I saw that Paul was standing now, and had moved much closer, still pumping his cock in his fist.

Meantime, breathing heavily, Ginny worked her way across my tingling flesh until she reached my tits. Then, licking across my

nipple, she squeezed both breasts as she sucked on first one nip, then the other. Pinching the buds teasingly, she suddenly pulled them upwards then allowed them to fall back.

By now I was feeling the need for something inside my pussy, and I grabbed her hand and pulled it down to my seeping gash. Without comment, Ginny began to saw her fingers across the entrance of my cunt, making me gasp as I neared climax once again. As though reading my mind, she waited until I became inwardly frantic for it before filling my cunt with her fingers, making my pussy clench as I came off hard once again.

But she wasn’t finished with me yet. Repositioning herself lower on the bed, Ginny began lapping my clit, her fingers still stuffed inside my vag. I felt a hot stab of lust as she continued to pump my tunnel while pleasuring my clit, and only a few seconds later I became so excited that I began to hump her fingers, begging her to continue frigging me – which she did until I came in an earth shattering climax, my juices spraying

onto the bed sheets between my thighs.

Paul was still tugging hard, and, wanting to include him somehow, I waved him closer, telling him that if he could manage to cum at the same time as we did, he could fire his fuck juice all over the two of us

Grinning widely, he eased his stroke and watched intently as we girls kissed passionately. Then, by mutual consent, Ginny and I clambered into the 69 position and began to tongue and finger-fuck one another’s pussies until we both began to quiver. Instants later, without warning, we both felt warm fluid splashing us and we too let go, cumming hard, our spunk spattered bodies almost dancing under my Paul’s frenetic junk assault. Next time I’ll keep my new shoes on.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

accusing me of putting it about! I remember once, she even said that I'd been fucking you."

"Cheeky mare!" gasped Hannah.

"Just because we saw you one day when you were uptown wearing a pair of shorts and I told you your legs were looking good." I paused. "They were looking good, though."

Hannah took my hand and squeezed it. "They still do," she laughed. "And there's no reason why you shouldn't get a good, long look at them now – especially as you've already been accused of it! Come on, let's go back to mine," she said and we hopped into a taxi.

Maybe it was the fact that she was a bit pissed, but once we were in the taxi Hannah started whispering all kinds of things in my ear.

"I want you to fuck me hard. My pussy is so wet just thinking about your cock inside me. I want you to eat me out."

I was so horny that I slipped my cock out of my pants and let Hannah stroke the throbbing shaft

we reversed roles, me standing and Hannah on her knees as she sucked my hard cock, her hands now clasping my arse cheeks. I could feel my spunk beginning to build up inside me, so quickly pulled out of her mouth.

"Let's go upstairs," Hannah said. "It's more comfortable." I watched from behind as she walked up the stairs, her gorgeous arse wagging seductively. She lay down on the bed, opened her legs and bent them at the knees, showing her smooth pussy in all its glory. She told me it was time to fuck her.

I knelt between her legs with my cock at the entrance to her pussy, then slid into her. Our pubic bones met as I quickened the pace again, thrusting in and out of her. Her legs moved up around my neck and my hands cupped her arse cheeks, feeling for the crack between them. I traced my finger along its length until I found her rosebud. I slowed my thrusting down, lubricated her hole with pussy juice, then slid a

LAST ORDERS

I'd known Hannah for a good few years but I'd never done anything naughty with her. But all that changed when my wife Kerry decided to leave me for a work mate, the only good decision she made during our marriage! She'd been gone about six months when I bumped into Hannah in my local. It was Friday night and she was dressed to kill. I waved at her and she walked over to me. I noticed the way her trousers outlined the curve of her pussy.

"Fancy meeting you here," she said. We got chatting and before I knew it was last orders.

"Off home now or going clubbing?" I asked.

"Home," she answered. "I'm not really a clubber."

"Me neither," I said. "Want to share a taxi?"

"Sure," she answered and off we headed for the taxi rank. As we walked along we chatted

"Are you over it?" she asked. "Your missus..."

"Well and truly. It was the best thing she could have done. He wasn't the first anyway. Turned out she'd been at with a few guys. And the worst part was she was always

so that she got a little taste of what was about to come, quite literally!

As soon as we were inside Hannah's house we were tonguing each other furiously, my hands running over her tight arse and hers over mine. Within minutes I was stark naked, sitting on her couch with my cock straining skywards while Hannah went upstairs to change into something more comfortable

When she came back I was pleased to see her choice; red, see-through basque, together with matching stockings and shoes. All the better to see her lovely pussy with.

Hannah stood in front of me, her legs apart, allowing me a close-up of her pussy. Unable to resist for long, I bent down and started flicking my tongue at her clit, my hands cradling her beautiful, firm arse cheeks. She moaned with pleasure as, within a couple of minutes or so, I licked her to her first orgasm and her pussy juices dribbled down my chin. Next

“...I licked her to her first orgasm and her pussy juices dribbled down my chin.”

guide

To my surprise they accepted.

They were from Romania and were visiting London for a week. The daughter's name was Anna and she was 23. As we chatted it emerged she did have a boyfriend back in Romania, but it wasn't serious.

I showed them the obvious sites for a few hours, but got a look at Anna's long legs and pert tits whenever she wouldn't notice. She had small tits, and to my delight she clearly wasn't wearing a bra as her nipples were visible through her summer top.

In a stroke of luck, her mum said she was tired and wanted to go back to the hotel to rest before they went out in the evening. Being a true gent, I suggested that Anna and I carry on. Anna liked the idea, which gave me hope.

I suggested we go to a nearby bar for a quick drink before carrying on. It was hot and thirsty work touring London. In the bar and I suggested we head upstairs to find a seat. It was a metal spiral staircase and as she led I got a good look up her short skirt. I immediately got hard at seeing her white panties clinging to her buttocks. I knew now was my chance to work my charm.

We settled down with our drinks and soon began flirting a bit. Light-hearted, but she was different without her mum there, touching my arm every now and then and laughing at my attempted jokes.

She then rested her hand on my thigh and gently rubbed my knee. I couldn't believe it. This was going to be easier than I thought!

We didn't say anything, it was clear what we both wanted

Eventually she said we should go to her room. I had assumed her and her mother shared a room, but the Gods were clearly looking down on me that day.

We were in her hotel room within minutes and she disappeared into the bathroom. I sat on the bed. She emerged seconds later totally naked, her tiny tits on show.

I took off my trousers and pants and stayed perched on the bed. She knelt down and held my hard cock in her hand. She said: "My mother is next door so we should be silent."

The thought of fucking this girl while her mother was resting next door made me even harder, and then she began licking the tip of my cock before slowly easing it into her mouth inch by inch.

Soon Anna's head was bobbing up and down, sucking away at my cock like there

finger into her bum hole and fingered her arse as I fucked her squelching

Hannah shook as her first orgasm tore through her. Then, chancing my arm rather, I pulled my cock out and, having carefully lined it up with her tightest hole, I slipped it deep inside her bum. After just a few short thrusts I felt my whole body tense and I shot hot spunk deep up her passage.

After what seemed like an age, Hannah turned to me, "Same time next week Bum Boy?!"

And that's exactly what we did!
Alan, Dundee

SUMMER SUN

Last summer I had a day off work and found myself at a bit of a loss, so I went into central London in the hope that something or

someone might catch my attention.

There were a lot of tourists around as I strolled through Covent Garden. It was hot and I perched on a wall to watch the world go by. While I was sunning myself a lady came up to me and asked me in a strong Eastern European accent if I would take a photo of her and her daughter outside the opera house.

I agreed and took the camera she had while she and her daughter positioned themselves for the photo. Immediately my attention diverted to the daughter. She looked early 20s, wore a small vest top and a white denim mini skirt, which clung to her long, well-defined legs. She had long, mousy hair and didn't wear make up. She was sex on legs.

I took a couple of photos and then I asked them if they needed any help or tips about London, offering myself as a kind of tour

I pushed my tongue up her crack as far as it would go and she let out a moan..."

was no tomorrow. I fondled her tits while she worked away.

She stopped after a while and stood up, pushed me back so that I was lying on the bed and crawled on top of me. She went to push my cock in her pussy but I stopped her. I was so turned on it would have been over in seconds if I had fucked her then.

I turned her round so that she was on all fours but with her pussy directly over my face and my cock below her face. I slid a finger into her pussy. She was wet, but I wanted her wetter, so I began rubbing her clit with my index finger. She writhed and moaned before beginning to lick my balls.

"Take it easy," I said. "I am too close."

She eased off my cock and let me do the work. I pushed my tongue up her crack as far as it would go and she let out a moan which, I feared, might wake her mum up.

I carried on tonguing her, my face wet with her pussy juice.

I couldn't wait any more, so I eased her onto her back on the bed, climbed between her parted legs and slid my cock in.

We began slowly, her small boobs barely moving as we rocked back and fourth. She was so wet. We built up speed and were fucking pretty hard. I noticed the wall cupboard next to us was mirrored and I could see a full reflection of me fucking this young beauty.

I stopped. I didn't want this to end and I was close to blowing my load.

I gently took my cock out of her pussy. Anna looked confused. I stood up and took her hand, pulling her up with me. I had noticed a balcony and thought we could have some fun outside. It was still daylight, the sun was shining and we were high up. The idea that we would be out on the balcony with her mother next door, who could walk out at any minute, made my cock throb even harder.

I led Anna onto the balcony and asked her to rest her hands on the railing, looking out to London. With her back to me, I pulled her backside towards me and rubbed my cock up and down her crack from behind, teasing her.

Then I slipped it in. It went in with such ease.

Soon I was pounding her pussy from behind on the balcony. She wasn't trying to be quiet any more. She was moaning with every thrust. God knows how her mum didn't hear!

I slid my arms under hers to hold her tits while I fucked her. I knew I was close.

I pulled out and turned her round and gestured that she sit one of the balcony chairs. She did so, grabbing my cock in her hand as she sat down. The touch of her hand on my shaft was enough. My cock exploded as she rubbed my helmet over her breasts. I came for what felt like several minutes, showering her tits in come as she rubbed them on my cock.

Finally, she licked my tired cock clean. The sight of my come all over her chest was one I'll carry with me for many a moon!

We rested on the bed for a while and chatted, before I made my excuses and left, but not before we exchanged numbers for one last "tour" in London before she went back to Romania.

ANTYNIA 

The sun is out and so is Antynia, who greets us much to our joy half naked. You look brown.

"Thanks, I've been out catching the sun."

The lack of tan lines says a lot...

"I love stripping off especially for an audience and the same goes for the pool."

Any chance of a splash about later then?

She laughs, "Well, you won't need any trunks."

What our well-placed moles are telling us this month...

DOWN THE WIRE

Hot Plates

One chap got right up in the grill and was arrested on indecency charges after a witness reportedly saw Michael Henson having sex in the street with the front grill of a van. One evening

officers responded to a call out, to find the 35-year-old topless and wearing only black shorts and shoes. A nearby witness reportedly saw Henson pull down his shorts exposing his genitals before inserting them into the front grill of the parked van. Appearing to be intoxicated Henson then passed out on a nearby front lawn before he was picked up by the police. The owner of the vehicle was made aware of the incident, which had bypassed his notice.

Catch them All

Pokemon Go has been attracting attention left, right and centre, since its release, making newspaper headlines for good, bad and humorous reasons. Though mainly it seems to have robbed humanity of common sense, as William Wilcox found out. Hovering outside a police station Wilcox was in the throngs of capturing a Pokemon Go character when thanks to a suspect list from 2014, Wilcox was recognised and wanted on a warrant for failing to appear on a breaking and entering charge. Wilcox was taken into custody without fuss and appeared to be more upset at having to end his game, than his immediate incarceration. Pikachu we see you, yes that's right, behind bars!

Say Pikachu!

Foreskin Folly

When the idea of hiding drugs springs to mind, and you have a limited amount of places to hide them, i.e., you're naked in a car park; you have to think outside the box. But stuffing 7.2 grams of cocaine into your foreskin is a stretch of the imagination. 24-year-old, Joshua Hare of Swindon, was arrested after police were called to a furniture store car park after reports of an individual disturbing customers. When officers arrived, they found Hare naked and on arresting him took him to the hospital where

a baggie of white powder began to emerge from his foreskin. Hare was detained on drug charges and pleaded guilty. Swindon Magistrates delivered a 12-week suspended sentence.
